

AMENDMENTS TO THE DRAWINGS

Please substitute attached Figures 13, 14, and 21 for the corresponding original figures to conform those figures to the disclosure of the patent application.

Attachment: Replacement Sheet(s)

REMARKS/ARGUMENTS

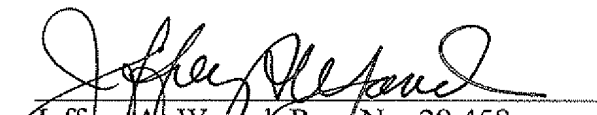

Prior to examining the referenced patent application, please enter the foregoing amendments. No new matter is added.

Figure 13 is amended to remove reference T1. Figure 14 is amended to add a lead line to the thermometer T1 as shown in Figure 12, to substitute thermometer T3 for thermometer T2, and to add the pressure gauge P2 of Figure 10. Figure 21 is amended to eliminate elements 6B, and 52 and to remove reference number 6A in order to conform to the specification. No new matter is added.

The specification changes conform the specification to the amended claims and correct obvious errors.

The claim amendments correct minor errors in the claims and restore certain ordinal numbering of claim elements to match similar numbering of the described embodiments encompassed by the respective claims.

Respectfully submitted,
